### Save \$109 > Derma Firm Illuminator™ Treatment System

2 product set: DFI + PSR Next, Item #029, reg \$359 — **only \$250**

Science meets nature with this non-invasive, in-home treatment that combines the benefits of the Nutrient Reservoir™ from the PSR Next [Precision Skin Rejuvenator] with a super skin machine that stimulates with 4 advanced methods, not just one. Aging skin is a thing of the past. A youthful appearance can be achieved without a visit to the doctor!

### Save 20% > Celloxylin® PSR Next [Precision Skin Rejuvenator]

1 fl oz | 30 mL, Item #032, reg \$105 — **only \$84**

This super serum delivers the highest concentration of the anti-aging Nutrient Reservoir out of all of the Celloxylin products. PSR Next is a surgery-free solution — results without injections! This treatment product is also popular as a daily moisturizer and make-up primer. It hydrates skin, smoothes and improves skin's radiance, evens skin tone and diminishes the look of wrinkles and expression lines.

## ALL MONTH:

### Save 20% > Activate + Firm set

two of the most popular Celloxylin® products — Item #260, reg \$84 — **only \$67.20**

The ultra-cooling Activating Tonic visibly transforms skin and prepares surface cells to receive and optimize the benefits from the Nutrient Reservoir™ ingredients. A burst of age advantage nutrients from the Firming Complex, protected in an advanced, natural delivery system, send a surge of protection to cells. This nutrient-rich pool also provides collagen and elastin support, visibly improves lines and wrinkles and refines pores.
